

Dear Parents and Families,

We are thrilled to be providing Under the Sea Summer camp from July 11th - 14th this year!! We look forward to the new adventures and memories these camp sessions bring. The teachers for our centers will be myself and Miss Jennifer. Miss Jennifer and I have worked closely with one another in the past, and we are ecstatic to be running this Summer camp together. Miss Jennifer brings over 20 years of experience working with children, and she's way more fun than I am (lol).

This summer camp will blend the Montessori philosophy of Respect and Care for one another and the classroom environment, along with our weekly Interesting Insects camp theme. The daily schedule includes crafts, songs, storytime, individual and group activities, outdoor walks, picnics, trips to Glenn Park and Watson Elementary, as well as morning & end of day circle time.

The following rules and regulations will allow the camp to operate effectively. Your cooperation in the following will be greatly appreciated.
