

Our October Newsletter

We look forward to an exciting year and are delighted to have your child in our class. Our team of teachers at Discover Montessori preschool is Ms. Amanda, Ms. Alma, Ms. Donna, Ms. Jodi, and Ms. Ole.

October will be a colorful month. We will work, play, learn hard, and have fun. We are pleased about how well the children have adjusted to the classroom, and friendships have already started to develop.

The children continue to learn how to work with one another, work alone, and respect each other and the classroom materials. We will continue to develop the child's "Sense of Order" by showing and reinforcing where materials belong and how to use them correctly by showing Care and Respect in our classroom Environment.

Three-hour day of preschool begins Monday, October 3rd

- Children will be greeted downstairs at 8:45 am & 12:30 pm.

- Dismissal will begin at 11:35 am – 3:20 pm

*We begin ten minutes early to aid with the parking lot congestion.

Late Pick-up Procedure - If you foresee being late, please text Miss Amanda. Significant late charges are in effect. Review the Parent Handbook for this Policy.

Chilliwack Corn Maze / Greendale Acres - Parent participation field trip. Enjoy a journey through the maze, interactive games, and a take-home pumpkin. The fee for this activity is \$15.00 and will be paid in cash to the preschool. Permission forms will be sent home and are due Thursday, October 14th.

Halloween - We do not observe Halloween in the classroom; children should NOT come to class wearing costumes. We encourage children to wear orange, black, green, red, or brown; Autumn colors are in. Discussions around trick-or-treating will be minimal. We will, however, discuss nighttime walking and how to be safe. Would you mind leaving the candy at home? It makes for complex, emotional, and challenging behaviors in the classroom.

School Contact - Communication and a great parent/teacher relationship are crucial to your child's success. I encourage you to contact us if you have any questions or concerns. Call 604-798-9237 or email Ms. Amanda at ms.amanda@telus.net
